5.8 CSS Table

| COMPANY | CONTACT | COUNTRY |
|----------------------|------------------|---------|
| Alfreds Futterkistes | Maria Anders | Germany |
| Ernst Handel | Roland Mendels | Austria |
| Island Trading | Helen Bennett | UK |
| Magazzini Riunitis | Giovanni Rovelli | Italy |

5.9 CSS Navigation Bar

Output :

Last Output :

The image shows a dark-themed website header. At the top left is a small circular logo. To its right are four white text links: "Home", "News", "Contact", and "About". The background of the header is dark, and the overall design is minimalist.

Lab Exercise

The image is a screenshot of the Universiti Malaysia Terengganu (UMT) website. At the top, there is a dark header bar with the university's contact information: s75635@ocean.umt.edu.my | +60 12-2136283. Below this is a navigation bar featuring the UMT logo, the text "UNIVERSITI MALAYSIA TERENGGANU", and links for "About UMT", "Study", "Research", and "Student & Campus Life". The main content area features a large photograph of several people in graduation gowns holding diplomas, with the text "Welcome to UMT" overlaid. Below this is a purple section titled "ADMISSION TO UMT" containing a paragraph about the university's history and focus. Further down is a section titled "UMT Faculties & Achievements" with a table listing faculty, programs, and achievements. The footer contains a copyright notice: "© 2024 Universiti Malaysia Terengganu".

Welcome to UMT

ADMISSION TO UMT

Universiti Malaysia Terengganu (UMT) is a public university in Malaysia, located in Terengganu, on the east coast of Peninsular Malaysia. It was originally established in 1979 as the Centre for Fisheries and Marine Science, and later became a full-fledged university. UMT is specialized in oceanography, marine science, fisheries, and related environmental sciences, but it also offers programs in engineering, management, education, and biotechnology. Its focus is on research and education related to the ocean and coastal areas, making it one of the leading institutions in Malaysia for marine studies.

UMT Faculties & Achievements

| Faculty | Program | Achievement |
|----------------------|--------------------------------|----------------------------|
| Marine Science | Bachelor of Marine Biology | ASEAN Research Grant |
| Science & Technology | Master in Data Science | National Innovation Award |
| Business & Economics | Bachelor of Maritime Economics | Top Graduate Employability |
